

# Childhood

**Name**

These activities are for you to do at home with an adult. You can do all of them or choose the ones that you find most interesting.

## Activities

1. Organise the stages of human life into the correct order on a timeline.

adult    baby    elderly    toddler    teenager    child

2. Use magazines, books and family photographs to find out how humans change as they grow. Look for people at different stages of life, including baby, toddler, child, teenager, adult and elderly. Draw a picture and write a sentence about each stage of human life.
