Dear Parents and Carers,

Year 6 Curriculum Letter – Summer Term 2022

This is a very busy and exciting term in Year 6. This is the final term for Year 6, and some of the parents. It is very busy with the build up to the SATs tests. We have the ever popular bell-boating day, more sporting activities as well as cycling proficiency.

We will also need parents to help with cycling proficiency (you only have to stand in a luminous jacket - and maybe answer the odd Highway Code question). Please help if you can as without 2 helpers per session we are unable to run this very valuable activity. We also need parent helpers with our technology topic on making bread.

We have a great deal of work to do, some sporting events and a trip. Much of our work this term is linked to our history topic. The children are already very enthusiastic about this.

Curriculum
