

Parent Questionnaire Feedback July 2022

Summary

A message to parents and carers from Mr Griffin

Thank you for completing the July 2022 parents' questionnaire.

48 families completed the questionnaire.

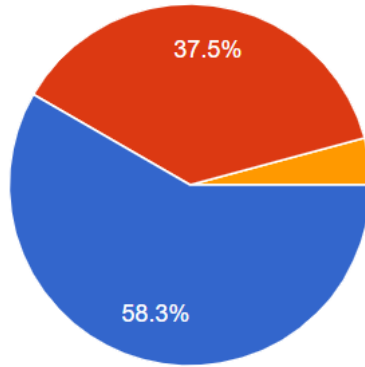

The questionnaire was extremely positive and we welcome all the feedback. (Good and also constructive!)

Leaders and Governors will focus on the feedback and make some changes based on parental feedback and continue to deliver the high expectations of education and provision that the school delivered last year.
