24th November 2023

Dear Parents and Carers

Kidmore End Spring Term Clubs

The following information covers our extra-curricular club offer for the 2024 Spring Term.

All clubs will commence the week beginning 15th January 2024 and run until the week beginning 25th March 2024. There will be no clubs the week beginning 12th February due to Half Term. There will be no school run clubs the week beginning 5th February due to Parents' Evenings. After School Clubs will start at 3.15pm and finish at 4.15pm.

We will continue to offer a selection of school run clubs. All school run clubs will be free (although there will be a small charge for the materials used in Art & Craft club & Sewing club).

Outside providers will continue to offer paid clubs for our pupils throughout the week, this will include a NEW Science club with Mad Science SW. Mad Science have come highly recommended and this new club will be offered initially to children in Years 1 to 3 on Wednesdays. If there is sufficient interest we hope they will return in the Summer term so those children in Years 4 to 6 can experience too. Mad Science will visit us at the beginning of December and deliver one of their science shows to the children in assembly time, to give them an idea of what they can expect if they sign up to one of their after school courses!

School will continue to cover the cost of clubs for children who qualify for pupil premium. Please follow the instructions on our booking page to secure your place (once bookings open) and notify the school office so we can settle your account. If you believe your child may qualify for pupil premium and you would like us to check on your behalf, please complete our pupil premium eligibility form and return to the school office. This form is attached, but can also be found on our website here: <https://www.kidmore-end.co.uk/parents/forms-you-may-need>. You only need to complete this form once and it will last for the duration of your child's time with us. If you believe you may be eligible, please do complete the form, as you will be helping to make sure our school is as well funded as possible.

In the table overleaf, we have listed all the clubs that are available across the school. Please note your child's year group and the clubs that they can express an interest in joining.

ACTION FOR PARENTS:

1. Next week, you will receive a ParentMail Club Preference Form to express an interest for your child to participate in the free school run clubs assigned to their year group. If your child would like to join one of these clubs please return this form to us no later than **Monday 4th December** so that we can finalise the groups.

These clubs are NOT allocated on a 'first come first served' basis so please take your time to check you have completed your form correctly and discussed with your child, as once submitted, forms cannot be amended.

Please be aware that your child is not guaranteed a space in these clubs, each club unfortunately has to have a limit on numbers for supervision and safety reasons. If the number of replies of interest for a club exceeds the number of places, the school will allocate places by randomly picking names out of a hat.

If your child is not offered a place in their preferred club(s), they will be able to go on a waiting list. The school will also make a note that your child has missed out for future reference, so they are given priority the next time this club is available for their year group.

- Bookings for clubs provided by outside organisations will **OPEN on Monday 18th December**. On this date, further information and booking links will be uploaded to our website here <https://www.kidmore-end.co.uk/school-clubs>.

Please contact the office if you have any questions or queries.

Best wishes

Ms M Parsons
Executive Headteacher
