

## Oxfordshire Outdoors: Clothing list

Courses at the Centres spend a lot of time outdoors, whatever the weather, so it's highly likely clothes will get wet and dirty. Hard wearing, warm clothes are required all year round, the season and prevailing weather will dictate quantity. We are asking you to provide functional rather than fashionable clothing, so please don't think you have to make additional purchases. The list below is based on centre experience, if you have any problems in providing any of the items, please discuss with the teacher organising the course.
