Spending of PPSG by item/project 2019-20		
Item/project	Objectives	Impact
Specialist PE teacher to work across the school. £3865	To develop progression across the school in areas including dance and gymnastics. To participate in Schools Dance Festival	All classes benefitted from focused work on gymnastics and dance as well as other areas such as tennis and athletics Y4 participated in Schools Dance festival – whole class event with very positive feedback from parents and pupils.
Haktive resource bags for home £625	To encourage enjoyment of physical activity from an early age	All children in Foundation class received a Haktive bag – feedback from parents was positive and Haktive website resources were used across the school as part of our Home Learning offer during lockdown.
Specialist coaches to introduce new sports. £1920	To ensure a wide range of sports are available through the year. To ensure children are challenged in PE lessons	All classes had opportunities to work on tag rugby and hockey specialist coaches. This led to participation for our oldest children in local competitions, and also opportunities to play outside school were signposted. KS1 children multisport activities to improve key skills.
Participation in inter-school Sports network £1200	To provide pupils with a range of opportunities for local competition and access to county level competition	100% of pupils in KS1/FS participated in Sports Hall athletics. At KS2 pupils participated in swimming, football and netball, as well as athletics and cross country. Year 6 qualified for County Finals in Sports Hall competition.
Sports Leader training and Outdoor Learning £3010	For older pupils to lead sports activities To give opportunities to try new activities	All Y5 and 6 children participated in Active Leaders training. Y6 pupils ran lunchtime clubs for other year groups, supported competitions and led sessions at Sports Club for Y3 and 4. Response from sports leaders and other children very positive. Feedback from staff commended their attitudes and skills. A group of Y6 leaders ran a session at Oxford Brookes University for trainee teachers.
Maths of the Day £500	To embed physical activity throughout the school day/week	Activities built into weekly planning.
Swimming Training £185	To ensure teachers fully skilled to support small groups in swimming, alongside Swimday teachers	All children in Y3 and 4 receive a long term's swimming tuition in both years. This ensures high levels of our children are able to swim to a good level increasing their safety.
In addition there are initiatives funded from other sources, which contribute to the objectives above.
