

**28<sup>th</sup> June 2024**

Dear Parents and Carers

## **Kidmore End Autumn Term Clubs**

The following information covers our extra-curricular club offer for the 2024 Autumn Term.

All clubs will commence the week beginning 9<sup>th</sup> September 2024 and run until the week beginning 2<sup>nd</sup> December 2024. There will be no clubs the week beginning 28<sup>th</sup> October due to Half Term or on Monday 4<sup>th</sup> November due to our INSET day. There will be no school run clubs the week beginning 21<sup>st</sup> October due to Parents' Evenings. After School Clubs will start at 3.15pm and finish at 4.15pm.

We will continue to offer a selection of school run clubs. All school run clubs will be free (although there will be a small charge for the materials used in Art & Craft club & Sewing club).

Outside providers will continue to offer paid clubs for our pupils throughout the week, this will include four NEW clubs next term: Gymnastics, Yoga, Science & Breakdance. A little can be found below about each of these new clubs, further information is available on the clubs section of our website.

**Gymnastics Club** with uSports will take place in the School Hall on Mondays, suitable for all levels and open to children in years 1-3, this 40 minute class offers the chance to develop their balance, strength, coordination and confidence.

Our current year 3 class enjoyed our Yoga trial last month, Beam Academy will now return with an after school **Yoga Club** for those in years 1-3 in September, spaces are limited to 15 children, so please book early to avoid disappointment.

Our new **Science Club** will be run by Bright Sparks Science on Wednesdays. This 6 week course is called "Fooling our senses" and takes children on an inspiring discovery to investigate how our main 5 senses work and how they can be tricked. We are delighted Bright Sparks Science will be joining us for a 30 minute show at our assembly next week, showcasing what this new club has to offer. This term children in years 3-6 can sign-up, if popular, next term they will return with a course for our younger pupils.

Lastly, John Johnny will join us on Thursdays with a new **Breakdance Club**. Some children may already know John Johnny from his dance birthday parties. This Club is open to all those in years 1-6, providing the chance to breakdance after school whilst having fun and keeping fit!

School will continue to cover the cost of clubs for children who qualify for pupil premium. Please follow the instructions on our booking page to secure your place (once bookings open) and notify the school office so we can settle your account. If you believe your child may qualify for pupil premium and you would like us to check on your behalf, please complete our pupil premium eligibility form and return to the school office. This form is attached, but can also be found on our website here: <https://www.kidmore-end.co.uk/parents/forms-you-may-need>. You only need to complete this form once and it will last for the duration of your child's time with us. If you believe you may be eligible, please do complete the form, as you will be helping to make sure our school is as well funded as possible.

In the table overleaf, we have listed all the clubs that are available across the school. Please note your child's year group (note: this is their year group in September and NOT their current year group) and the clubs that they can express an interest in joining.

#### ACTION FOR PARENTS:

1. Next week, you will receive a ParentMail Club Preference Form to express an interest for your child to participate in the free school run clubs assigned to their year group. If your child would like to join one of these clubs please return this form to us no later than **Monday 8<sup>th</sup> July** so that we can finalise the groups.

These clubs are NOT allocated on a 'first come first served' basis so please take your time to check you have completed your form correctly and discussed with your child, as once submitted, **forms cannot be amended**.

**Please be aware that your child is not guaranteed a space in these clubs**, each club unfortunately has to have a limit on numbers for supervision and safety reasons. If the number of replies of interest for a club exceeds the number of places, the school will allocate places by randomly picking names out of a hat.

If your child is not offered a place in their preferred club(s), they will be able to go on a waiting list. The school will also make a note that your child has missed out for future reference, so they are given priority the next time this club is available for their year group.

2. Bookings for clubs provided by outside organisations are now **OPEN**. Further information and booking links can be found on our website here <https://www.kidmore-end.co.uk/parents/school-clubs/bookings>. Please note that places are limited and will be allocated on a first come, first served basis, so please book early to avoid disappointment, some providers have also set a booking deadline this year as detailed on our website. So please book in good time if your child is keen to take part.

Please contact the office if you have any questions or queries.

Best wishes
